[Landtrac/Farmtrac - Parts for Your Long Tractor](#)

A standard-tread tractor, the Fordson F tractor had around 19 belt horsepower as well as a 2-plow rating. It had a 4-cylinder, vertical Hercules engine which would start on gasoline and run on kerosene, the transmission was three speed and it had a worm-gear final drive. The engine, the final drive, and the transmission case worked as a frame. Magnets were used for the ignition, these were on ...
