Let's start with New Holland balers. If you look back through the history, you see someone is asking nearly every day about a different model of baler. They are asking how old, what size, good and bad points etc. I've got the same questions and would love to see the answers in one place. Can you guys please help me out? (Notably Steve from N.H. Pa: I've seen you saying you could go on and on ...
