Sure Start centres were established by the Labour government after 1997 as a form of compensatory education. Recognising the achievement gap, particularly by social class, even in early years education led to the establishment of centres that could provide parenting and health advice from pregnancy through to pre-school, as well as providing childcare and early years education.

[SOCIOLOGY | WELCOME IGCSE](#)

Gender and education: On average girls do better than boys, although this was not the case in the past; feminist sociologists showed this was due to a change in ambitions. In the 1970's girls said they wanted to get married and have a family rather than a career. When repeated in 1990's the same researcher (Sue Sharpe) found that ambitions had changed and girls now wanted a career.
