Having online testimonials or online reviews for your company is not just a smart option for your business – it is a necessity. What benefits do I get from this? You benefit from using our Testimonial Program by growing your business and improving your company's reputation. It is a modest investment with a huge return. Most businesses see immediate results when they implement a customer ...

[How to Easily get 5-Star Reviews for Your Business ~ Supple](#)

When people see a business or a product rated five stars out of five, they are skeptical for several reasons. If there is only a single 5-star review, they tend to think that the single review is not enough data on which to make a decision. If there are only a few reviews, it's easy to conclude that the business owner had friends give the 5-star ratings, again making the data less ...
