"Michael Pitre's Fives and Twenty-Fives is a remarkable literary debut, a hauntingly spare, tender, and unflinching account of those who go to war in our own time. While it is, on one level, a story that has come out of the conflict in Iraq--a land and landscape Americans know so much and so little about--at its core the novel raises the notion of struggle to that place where characters discover, in fascinating concentric circles of awareness (the very thing for which they are trained on ...

Michael Pitre deserves praise for Fives and Twenty-Fives, in particular for his courage in representing the war through fiction in such an honest, aesthetic, and vibrant manner. Too many veteran authors resort to memoirs and short stories, uncomfortable with the burden of the extended fictional account. Pitre has given a new voice to this war weary generation, particularly those in Iraq and ...
