

NOMADIC PEOPLES AND HUMAN RIGHTS ROUTLEDGE RESEARCH IN HUMAN RIGHTS LAW

Mar 03, 2021

[Nomadic Peoples And Human Rights Routledge Research In Human Rights Law](#)

This book provides an innovative rights-based approach to the issue of nomadism looking at issues including discrimination, persecution, freedom of movement, land rights, cultural and political rights, and effective management of natural resources. Jeremie Gilbert analyses the extent to which human rights law is able to provide protection for nomadic peoples to perpetuate their own way of life and culture. The book questions whether the current human rights regime is able to protect nomadic ...

Although nomadic peoples are scattered worldwide and have highly heterogeneous lifestyles, they face similar threats to their mobile livelihood and survival. Commonly, nomadic peoples are facing pressure from the predominant sedentary world over mobility, land rights, water resources, access to natural resources, and migration routes. Adding to these traditional problems, rapid growth in the ...

The management of natural resources is directly related to livelihoods for local communities, but is also intimately linked to broader national and regional economic development, as well as to political stability, peace and security. Natural resources and their effective management are necessary for securing the realisation of human rights.

His main area of research is on international human rights law, and more particularly on the relationship between human rights law, natural resources, and environmental issues. His work particularly focuses on supporting the rights of indigenous peoples and nomadic communities to land and natural resources. As a legal scholar and activist academic, Jérémie has worked with several indigenous ...
