[The Great Rebalancing Trade Conflict And The Perilous Road Ahead For The World Economy Updated Edition](#)

The Great Rebalancing: Trade, Conflict and the Perilous Road Ahead for the World Economy by Michael Pettis is as sharp and clear as a cut diamond in its analysis of the continuing global imbalances. The author brings logic, accounting identities and clarity of thought and language to bear on the issue of prospects for the global economy, putting most other commentators into the shade.

China's economic growth is sputtering, the Euro is under threat, and the United States is combating serious trade disadvantages. Another Great Depression? Not quite. Noted economist and China expert Michael Pettis argues instead that we are undergoing a critical rebalancing of the world economies. Debunking popular misconceptions, Pettis shows that severe trade imbalances spurred on the recent ...
