The Knife That Killed Me by Anthony McGowan is a book about the life of a high school student Paul Varderman. It illustrates the struggles he goes through while he's trying to find a place to fit in at school. Paul doesn't like being noticed by people, he would much rather just be invisible. One day while in geography class, Paul gets gum thrown in his hair by the school bullies. After school that day, the baddest bully in the school, Roth, approaches Paul. He's not rude to Paul, he just says t

The Knife That Killed Me is a gripping page turner with intriguing and dynamic characters, thought-provoking story and a chilling theme. This book is so much more than just a "topical story of one boy's spiral into knife-crime ". Everything portrayed in the book is eerily familiar - the pressure of adolescence, the sense of isolation and the struggle to "fit in" (or the opposite), love/hate ...

The knife that killed me was a special knife. Its blade was inscribed with magical runes from a lost language, and the metal glimmered with a thousand colors, iridescent as a peacock's tail or the slick of petrol on a puddle. It was made from a meteorite that had plunged to Earth after a journey of a hundred million miles.

Anthony McGowan's The Knife That Killed Me (2008), however, doesn't let Paul stay invisible. A pair of incidents bring him to the attention of two different factions at his school. He stands up to a bully (in, that, in a fit of rage, he rather ineptly brandishes some scissors at one of the bully's cronies), and he helps one of the 'Freaks' (in, that, in a fit of ill humour, he rather ineptly ...
