Smart Tech should really know where to direct folks that have failing UF65 projectors. They told me that the warranty had run out and that maybe I could find a replacement from a different distributor, or I could buy a whole new projector that would need a different mount all together. These Epson projectors need nothing to install and are half the price! I would love to yank all of my UF65 ...

[SmartBoard Projector Maintenance UF65 - YouTube](#)

The projector's extended control panel provides easy access to all audiovisual products in the classroom, enabling teachers to switch between inputs and access power and volume controls from one location. The UF65 is mounted directly above the interactive whiteboard for simple installation, and the swivel projector mount makes alignment easy. Maintenance is simple, too, thanks to the projector ...
